#### **For information:**

**The Grant Program was initiated by the Organic Initiative**, which includes key players of the organic sector of Ukraine. The Organic Initiative joined forces and resources of like-minded people and started its activities in April 2020, it aims to promote the development of the organic market and increase trade with Ukrainian organic products on the domestic and foreign markets.

**The Grant Program** is administered by the International Charitable Organization "Information Centre "Green Dossier" and Lviv City Public Organization "Ecoterra" in accordance with the decision of the Organic Initiative and the statutory tasks of the organizations.

**The monetary fund of the Grant Program** is formed from charitable donations and contributions of individuals and legal entities (residents and non-residents of Ukraine), targeted contributions of international projects / technical assistance programs and other revenues.
